**SREE CHITRA THIRUNAL INSTITUTE FOR
MEDICAL SCIENCES AND TECHNOLOGY,
THIRUVANANTHAPURAM, KERALA, INDIA**

The SreeChitra Thirunal Institute for Medical Sciences and Technology (SCTIMST), Trivandrum is an institute of national importance established by an Act of Indian parliament. It is an autonomous institute under the administrative control of the Department of Science and Technology, Government of India.

The institute signifies the convergence of medical science and technology and its mission is to enable the indigenous growth of biomedical technology, besides demonstrating high standards of patient care in medical specialties and evolving post graduate training programs in advanced medical specialties, biomedical engineering and technology, as well as in public health.

It has a 253 bedded hospital for tertiary care of cardiovascular And neurological diseases, a biomedical technology wing with facilities for developing medical devices from a conceptual stage to commercialization, and a center of excellence for training and research in public health.

The institute has the status of a University and offers postdoctoral, doctoral and postgraduate courses in medical specialties, public health, nursing, basic sciences and healthcare technology. It is a member of the Association of Indian Universities and the Association of commonwealth Universities.
